The Company does not have a diversity policy which includes requirements for measurable objectives for achieving gender diversity and an annual assessment of the objectives and progress towards them. During the Relevant Period, given the size of the Company and its stage of development, the Board did not believe it was appropriate to have a diversity policy which includes these requirements.</p> <p>The Company recognises the benefits arising from employee and Board diversity and the importance of benefiting from all available talent. The Company assesses each individual's credentials on their merit, with objectivity and without bias so that the Company may attract, appoint and retain the best people to work within the Company.</p> <p>As at 30 June 2017, the respective proportions of men and women in the Company and its subsidiaries were:</p> <ul style="list-style-type: none"> • Board – 3 Director positions with 3 male, 1 female (Company Secretary) • Senior Executives (those with line responsibilities and employees reporting to them) – 6 positions with 5 male and 1 female • Across the organisation – 29 positions (full time and part time or contract) with 21 male and 8 female

Performance evaluation is implemented formally through a top-down annual process of reviewing progress and setting objectives. Feedback is provided to each employee. Performance is aligned to the annual budget and business plan adopted by the board of the Company. Ongoing informal feedback is provided to each employee by their team leader or manager. Key Performance Indicators are set for senior executives that are aligned to the Company's annual business plan and performance is measured with regards to achievement of these indicators.</p> <p>A performance review of the senior executives was not undertaken in relation to the Relevant Period during the Relevant Period. Such a performance review was undertaken in accordance with the process identified above in July 2017.</p>

2.	Structure the board to add value	
2.1	<p>The board of a listed entity should:</p> <p>(a) have a nomination committee which:</p> <p>(1) has at least three members, a majority of whom are independent directors; and</p> <p>(2) is chaired by an independent director, and disclose:</p> <p>(3) the charter of the committee;</p> <p>(4) the members of the committee; and</p> <p>(5) as at the end of each reporting period, the number of times the committee met throughout the period and the individual attendances of the members at those meetings; OR</p> <p>(b) if it does not have a nomination committee, disclose that fact and the processes it employs to address board succession issues and to ensure that the board has the appropriate balance of skills, knowledge, experience, independence and diversity to enable it to discharge its duties and responsibilities effectively.</p>	<p>The Company has not fully complied with recommendation 2.1 during the Relevant Period.</p> <p>The Board has a remuneration and nomination committee. However, it has only two members given that the Board is comprised of only three members and the Board is of the opinion that it is preferable that an executive director not be appointed to the committee. As at the date of this statement, the committee has a majority of independent directors and is chaired by an independent director. The committee is currently comprised of Peter Brook (Chair) and Alexander Hutchison, both non-executive and independent directors. Peter Brook joined the committee on 12 April 2017 upon his appointment as a director of the Company. During the Relevant Period and prior to his resignation as a director of the Company on 25 May 2017, Colin Scully was the chair of and a member of the committee. Colin Scully was not an independent director as he is a substantial shareholder of the Company.</p> <p>The Board believes that the current committee membership is able to appropriately perform the role of the committee in addressing board succession issues and ensuring that the Board has the appropriate balance of skills, knowledge, experience, independence and diversity to enable it to discharge its duties and responsibilities effectively.</p> <p>The remuneration and nomination committee has a charter disclosed on the Company’s website under “Remuneration and Nomination Committee Charter” in the Corporate Governance section.</p> <p>The remuneration and nomination committee met twice during the Relevant Period with Colin Scully attending 1 meeting, Peter Brook attending 1 meeting and Alexander Hutchison attending both meetings.</p>
2.2	A listed entity should have and disclose a board skills matrix setting out the mix of skills and diversity that the board currently has or is looking to achieve in its membership.	The Company has completed a Board Skills Matrix which sets out the mix of skills and diversity that the Board currently has, a summary of which is attached to this statement.
2.3	<p>A listed entity should disclose:</p> <p>(a) the names of the directors considered by the board to be independent directors;</p> <p>(b) if a director has an interest, position, association or relationship of the type described in Box 2.3 but the board is of the opinion that it does not compromise the independence of the director, the nature of the interest, position, association or relationship in question and an explanation of why the board is of that opinion; and</p> <p>(c) the length of service of each director.</p>	<p>As currently comprised, the Board has two non-executive independent directors (Alexander Hutchison and Peter Brook). The third board member is Don Sharp who is an executive director and a substantial shareholder of the Company and accordingly is not an independent director.</p> <p>Colin Scully was a director of the Company during most of the Relevant Period. He resigned his position on 25 May 2017. Colin was not considered independent as he is a substantial shareholder of the Company.</p> <p>Don Sharp was first appointed as a director of the Company on 11 June 2013, Colin Scully on 23 April 2009, Alexander Hutchison on 26 May 2016 and Peter Brook on 12 April 2017.</p>

However, as at the date of this statement, the Company does comply with this recommendation as it has two independent directors and one non-independent director. Prior to Colin Scully's resignation as a director on 25 May 2017, the Company did not comply with this recommendation as Colin was not considered independent due to his shareholdings in the Company.</p> <p>However, in light of relevant quantitative and qualitative considerations, the Board considered Colin Scully to be operating with objectivity and in the best interests of shareholders, notwithstanding his shareholdings in the Company.</p>
2.5	The chair of the board of a listed entity should be an independent director and, in particular, should not be the same person as the CEO of the entity.	<p>The Company has not fully complied with this recommendation during the Relevant Period.</p> <p>The Chair of the Board is Don Sharp. He is not the Chief Executive Officer of the Company. However, he is not an independent director as he is an executive director and is a substantial shareholder of the Company.</p> <p>Nevertheless, the Board remains of the view that it is in the best interests of the Company for Mr Sharp to continue as Executive Chairman given his wealth of experience and expertise. Additionally, the Board derives comfort from the ability of individual directors to seek independent professional advice which is made available at the expense of the Company.</p>
2.6	A listed entity should have a program for inducting new directors and provide appropriate professional development opportunities for directors to develop and maintain the skills and knowledge needed to perform their role as directors effectively.	<p>The Company's program for inducting new directors includes tours of the business and access to senior executives and other directors to help facilitate a thorough understanding of the business. Upon appointment, new directors are provided with detailed information about the Company including its corporate governance policies, past minutes of meetings and constitution. New directors are provided with briefings on corporate strategy and current issues affecting the Company and the industry in which it operates.</p> <p>The Company is committed to ensuring its directors are adequately skilled and informed in order to perform their duties effectively. Through the annual board performance review process, opportunities for the development of directors' skills and knowledge are identified for the year ahead.</p>

The committee is currently comprised of Peter Brook (Chair), Don Sharp and Alexander Hutchison. It currently has three members and a majority of members who are independent. Don Sharp is an executive director and is on the audit committee due to his accounting expertise. The committee is chaired by an independent director, who is not the chair of the Board. Prior to his resignation on 25 May 2017, Colin Scully was a member of the committee. He was not an independent director but was a non-executive director.</p> <p>The relevant qualifications and experience of the committee members are disclosed under Board of Directors in the Corporate Governance section on the Company's website.</p> <p>The Board believes that the current committee membership is able to appropriately perform the role of the audit committee to verify and safeguard the integrity of corporate reporting, including the processes for the appointment and removal of the external auditor and the rotation of the audit engagement partner.</p> <p>The audit, risk and compliance committee has a charter disclosed on the Company's website under "Audit, Risk and Compliance Committee Charter" in the Corporate Governance section.</p> <p>The audit committee met five times during the Relevant Period with Colin Scully, Don Sharp and Alexander Hutchison attending those meetings. This declaration has been received for financial statements approved by the Board during the Relevant Period.
4.3	A listed entity that has an AGM should ensure that its external auditor attends its AGM and is available to answer questions from security holders relevant to the audit.
